2019 Hygiene Continuum Speakers

Corky Willhite, DDS, FAACD

May 9, 2019 – “Transitional Bonding”

Corky Willhite, DDS has achieved Fellowship by the Academy of General Dentistry, the American College of Dentists and the American Academy of Cosmetic Dentistry. He is one only 70 Accredited Fellows in the AACD of over 6,000 members worldwide. He has served on their board of Governors (currently the American Board of Cosmetic Dentistry) and spent years as an Examiner for Accreditation. He is an Adjunct Assistant Clinical Professor in the Department of Comprehensive Dentistry and Biomaterials at L.S.U. School of Dentistry. He is on the faculty of the Center for Esthetic Excellence in Chicago and post-graduate esthetics program at Eastman Dental Center. He has been published and feels honored to have so many opportunities to lecture nationally and internationally. Over the years, his private practice in suburban New Orleans, the Smile Design Center, has become limited to Cosmetic Dentistry. His experience is based on a dedication to the belief that “excellence” and “esthetics” are not only compatible, but can take dentistry to a new level of satisfaction and success.

Mark C. Nation, DMD

September 19, 2019 – “Implant All On Cases”

Dr. Nation attended the University of Louisville and obtained his Bachelor of Arts degree in Biology in 1996. He completed his dental training from the University of Louisville in 2000. He is a member of the The American College of Prosthodontists, The American Academy of Implant Dentistry, International Team for Implantology, The American Dental Association and The Louisville Dental Society. Dr. Nation was on staff as faculty in the department of Surgical and Hospital Dentistry at University Hospital in Louisville from 2003-2017. He has been an attending doctor in the General Practice Residency Program during that time. Dr. Nation still lectures in the University of Louisville Graduate Prosthodontics program. He lectures to undergraduate DMD students on treatment planning and complex restorative cases at the University of Louisville Dental School as well. Dr. Nation has been in private practice serving the Louisville area since 2003. The most complex cases in this area of the United States are typically referred to Dr. Nation for rehabilitative dental care. Dr. Nation works full time in private practice now and regularly lectures to study clubs and in dental meetings all over the United States.
